

SASCO KK PAPIYANE Manifesto

1. Prioritizing mental health education in academic departments to ensure students are supported respectfully and sensitively.
2. Reviewing the academic exclusion appeals process to maximise readmissions.
3. Expanding the fundraising and fund-generating model of the SRC to drastically increase relief funds and to contribute to further programmes.
4. Ensuring all residences leased by the University, meet the same standards of residence life as University residences.
5. Revising the parking system on campuses to ensure adequate and secure parking.
6. Challenging the structures and systems that continue to oppress black students
7. Make it a priority to ensure that all UKZN female and gender-neutral bathrooms have FREE sanitary towels and tampons available.
8. Advocate for free counselling to all students.
9. Address Rape Culture and Consent among all students and staff members.
10. Fight against financial and academic exclusions that continue to obstruct students from graduating.
